

# ARE YOU READY FOR A MIND-BLOWING DAY?

**FEBRUARY 10, 2018**

Join life-long learners, creatives, geeks, business people, entrepreneurs, makers, inventors, investors, speakers, robotic enthusiasts, social gurus, information technology enthusiasts, educators, science & engineering people, gamers who dabble in the latest & greatest board games, IoT innovators, and much more.

The event will include the following:

- BarCamp-style open topics
- Displays of today's coolest technologies, shared ideas, open conversations
- Hands on creative opportunities for all ages - bring your stuff to share
- NEW THIS YEAR - Manatee STEM Competition
